Ultimate

Absolute stopping power

Supreme braking confidence for sports, performance and prestige vehicles at freeway speeds and beyond. The high performance compound provides excellent high temperature wear and fade resistance plus exceptional cold performance.

Heavy Duty

For hardworking vehicles

A multi purpose brake pad for working vehicles, towing and other heavy duty applications. Features a unique Titanium Stripe for instant positive pedal feel and an exclusive insulation layer for cooler braking and longer life.

4WD

On road feel off road tough

A brake pad providing low noise, low dust and reduced brake fade at high temperatures. 4WD is manufactured from EPR for extra strength, higher friction and greater heat resistance.

General CT

Fit with confidence

A general purpose passenger vehicle brake pad for everyday driving. Featuring a unique Titanium stripe and Ceramic Technology. This pad provides sure stopping right out of the box and are safer and surer from the first stop till the last.

Choose the right pad to suit your vehicle online at www.bendix.com.au
