...keeping you on the road

Managing a Car Fleet has never been easier

As the most experienced auto service provider in the country with truly National coverage, UltraTune has been helping Australian Businesses to successfully manage their car fleets for years.

At UltraTune, we understand fleet business needs and can tailor service programs that are both efficient and economical. With the UltraFleet System and the UltraTune FleetCard, we have taken the hassle out of managing a car fleet.

For more information on the UltraTune FleetCard, call Motorcharge on 1300 1300 62

UltraFleet

Whatever the size of your fleet, UltraFleet helps to maintain and manage your fleet's servicing needs and costs by tailoring a service schedule to suit.

And because UltraTune Service Centres are able to carry out servicing to Manufacturer's Handbook Specifications and can also repair and service your brakes, suspension and exhaust systems, your fleet is in very good hands.

UltraFleet also helps to control your fleet management costs with fixed price car servicing, fully itemised detailed reporting, the efficiency of central billing, and the peace of mind of a National 6 month or 10,000 kilometre warranty (whichever occurs first) on all work.

Benefits at a glance

- Ability to complete full servicing to Manufacturer's Handbook Specifications.
- National coverage with over 190 UltraTune Service Centres around Australia.
- Ability to tailor service programs to meet your individual fleet management needs.
- Your one stop shop - offering service and repairs for mechanical, brake, suspension and exhaust systems.
- Peace of mind with all work backed by a National 6 month or 10,000 kilometre warranty (whichever comes first).
- The ultimate in cost control with detailed reporting and central billing.
- Quick vehicle turnaround and flexible booking times.

Take the hassle out of fleet management

UltraFleet Card

As the perfect partner to the UltraFleet System, the UltraTune FleetCard takes the hassle out of managing car fleet costs by handling it all - fuel, vehicle servicing, tyres, car rental and even accommodation.

No fleet is too big or too small for the UltraTune FleetCard which simplifies and streamlines all your fleet management systems. You receive GST compliant invoices and a fully itemised monthly statement from Motorcharge that is recognised by the ATO and can be used for your BAS fulfillment.

Benefits at a glance

- Pay for servicing at over 190 UltraTune Service Centres around Australia.
- Pay for fuel at over 15,000 Motorcharge sites around the country.
- Pay for accommodation at selected hotels and motels.
- Pay for tyres at selected tyre outlets.
- Ideal for fleets of all sizes, with preferred rates offered on fleet servicing.
- Monthly statements that include fuel efficiency reporting and make it easy to track and control fleet costs.
- GST compliant invoices that simplify your accounting and bookkeeping.
