

Terms and Conditions

(Consent to do work) I hereby authorise Ultra Tune to carry out the repairs and/or service requested on the vehicle at my cost and to supply all parts and materials and perform such other work as Ultra Tune considers reasonably necessary and authorised by you. Ultra Tune may operate and drive the vehicle whether on test equipment, public or private roads or otherwise including driving it to and from sub-contractors. Ultra Tune is not responsible for any delays caused by unavailability of parts or materials or delays of shipment by the supplier or carrier of any parts or materials.

(Quotation estimate only) I acknowledge that any quotation given for repairs shall be regarded as an estimate only.

(Vehicle remains at my risk) The vehicle, its accessories and contents remain at my risk and Ultra Tune is not responsible for the theft or damage suffered beyond its reasonable control. I confirm that I should remove any valuables from the vehicle.

(Storage) A storage fee of \$25.00 per week will be charged for vehicles left after 7 days from the repairs or services being completed and notified. Vehicles not collected may be sold pursuant to State/Territory laws dealing with uncollected or uncollected goods.

(Lien) An express mechanic's lien is hereby acknowledged on the vehicle to secure the amount of lawful repairs, services and any storage fees.

(Privacy provisions) I acknowledge, consent to and agree that information (including personal information and vehicle details) I have provided may be disclosed to Ultra Tune Australia Pty Ltd or any of its related parties, other Ultra Tune Service Centres and other third parties for the purpose of administration, marketing, promotions, customer survey, warranty issues, credit application, communication and other matters relating to my vehicle. I hereby specifically authorise the use, disclosure and retention of my information for that purpose.

(Repair notices pursuant to the Australian Consumer Law) The repair of your vehicle may result in the loss of any user-generated data (eg user-generated data stored on any GPS, audio system etc), please ensure that you have made a copy of any data saved on such parts or accessories.

Goods presented for repair may be replaced by refurbished goods of the same type rather than being repaired. Refurbished parts may be used to repair the vehicle.

(Definition) "Ultra Tune" in this notice means the Ultra Tune Franchisee, that is the franchisee of the Ultra Tune Centre that I have taken the vehicle to and includes that Franchisee's employees or agents.
